

Marie-Stella-Maris Amenities new in the hotel assortment

Marie-Stella-Maris adds a welcoming range of amenities to its hotel assortment. The new products are made in the bestseller scent No.73 Poivre Noir Frais. The small sizes are available from November 2018, in addition to the already existing hotel range of standard sized refillable bottles.

First of all, hydrating the body and skin is very important to Marie-Stella-Maris. Second, it is of great importance to Marie-Stella-Maris that their products evoke an optimal sensory experience. Therefore the scent and look and feel of the smaller sizes are rich and luxurious, as we are used to. The amenities are a valuable addition to any hotel bathroom, and definitely a treat to take home.

The scent No.73 Poivre Noir Frais

The new amenities are available in the bestseller scent Poivre Noir Frais, a fragrance that you can always count on: original, elegant and unisex. Made with black pepper, geranium and lavender. The pepper gives a kick-start, while geranium and lavender provide serenity, without losing its powerful character.

The collection

The amenities range consists of a Hand Soap 35gr, Hand & Body Wash, Body Lotion, Shampoo and Conditioner available in 40ml / 80ml travel size bottles and 30ml / 40ml tubes.

Collaboration with LHC

Marie-Stella-Maris collaborated with Luxury Hotel Cosmetics (LHC) to be able to present the best of the best. Through this intensive cooperation, in which the retail knowledge of Marie-Stella-Maris and hotel expertise of LHC were bundled, a range of products has been created to meet the wishes of contemporary hotels and guests who enjoy to be spoiled.

Availability

From November 2018 the 40ml bottles and 30ml tubes can be ordered via LHC and directly through Marie-Stella-Maris. The 80ml bottles and 40ml tubes are only available on request.

About Marie-Stella-Maris

Marie-Stella-Maris is a Dutch lifestyle brand with a social mission. By selling natural mineral water and luxurious care products they want to contribute to the goal that everybody in the world has access to clean drinking water. That is why for every product sold, a fixed amount will go to projects that increase worldwide access to clean drinking water.

For consumers Marie-Stella-Maris care products are available in the Marie-Stella-Maris Store in Amsterdam, high-end beauty stores, department stores and concept stores in the Netherlands, Belgium and Germany. In addition, all products can be purchased via their own webshop marie-stella-maris.com, as well as via online retailer Net-a-Porter.

“Since the introduction in 2011, we have been able to donate over 800.000 euros, thanks to all our partners and customers. We have now supported 11 projects and have been able to help more than 26.000 people with access to clean drinking water. On to the 100.000 people! ”
