

## Marie-Stella-Maris introduces the scent No.76 Courage des Bois in their home products

---

In the fall of 2019, Marie-Stella-Maris will introduce four new products in the scent Courage des Bois. No.76 Courage des Bois has a timeless, woody and warm character. It is a rich scent with notes of sandalwood, oud and patchouli. To enrich your home Marie-Stella-Maris offers a room spray 240 ml, scent diffuser 240 ml and scented candles in two sizes; 70 & 220 grams.

### About the scent

#### No.76 Courage des Bois

Warm and classic ingredients such as sandalwood, amber and patchouli get a surprising kick with the addition of oud; an oriental type of wood that makes the scent robust and gives a slightly smoky tone. It is a surprising combination of exciting and at the same time familiar scent tones that evoke a sensation of security.

**Top notes:** bergamot

**Heart notes:** rose aspects, geranium, saffron and patchouli

**Base notes:** leather, oud, amber, moss, tonka bean, musk, sandalwood and cedar wood

### About the products

#### Room spray 240 ml - €39

With this spray you can easily fragrance the room; only a few sprays are needed to turn any space into your home. Also, the elegant glass bottle is a welcoming addition to your interior.

### **Scent diffuser 240 ml - €39**

The scent diffuser subtly spreads the classic scent No.76 Courage des Bois through your home. Good to know: the fragrance sticks are made of a special fiber (a mix of cotton and terylene) that ensures maximum scent diffusion, and therefore do not need to be turned around. How convenient!?

### **Scented candles 70 and 220 grams - € 19 and € 39**

The luxurious scented candles add a finishing touch to any room in your house and create a cosy and intimate atmosphere. The candles are made with 100% natural wax, made from soy, rapeseed oil and beeswax. The wax burns nicely and spreads the scent evenly.

### **Availability**

From September 19 the new home perfumes will be available in the webshop ([marie-stella-maris.com](http://marie-stella-maris.com)), the Marie-Stella-Maris Store in Amsterdam (Keizersgracht 357), and at various (online) retail partners such as Net-a-Porter and De Bijenkorf.
